Sir,

Attached is the MOU I mentioned previously. It covers much of what we discussed and is necessary to finalize the agreement between the county and DPS. If you can complete and return to me, I will get it to Austin and return you a copy of the signed and complete MOU.

Please let me know if you need any additional information and I will be happy to assist in any way I can.

Kris,

Can you send me the MOA and I will get it signed and sent back when the training happens. I have already given the equipment to them (box 85 A & B) and had them complete the inventory with me so I know the items are there. I had forgotten about the MOA however but that is not a big deal to get it signed when the training happens.
